Hi everyone! Wanted to let you know it is still going on. Last night my neighbors Paolo and Victoria Dorigo who live on the corner of Canyon and Tuxedo Terrace had their Cadillac stolen out of the garage. And, my listing on Carolus and Canyon had a motorcycle and some misc. items out of the garage taken. I have added Paolo to this email. Please keep him in the loop. Thank you!

Subject: LAPD impromptu meeting

Hello everyone, I know its a bit last minute but Tracy Fields our acting (but soon hope to be permanent) Senior Lead Officer is available to meet this Wednesday morning at 9am at Franklin & Co, 5923 Franklin Ave. We will be discussing the alarming increase of crime in the neighborhood. In the last 6 weeks I am personally aware of no less than a dozen crimes including, gun related muggings, knife related muggings, beatings, home invasions, home robbery, car break-ins, drug and sex offenders in cars along Foothill, Canyon and Van Ness. Last night I chased an individual who seemed to be looking in my neighbors house at around 1am. I have lived in the same house for 20 years and while we have had some issues never have I experienced what's going on right now, its simply not safe to walk in this neighborhood. I hope you all can come but if not I will transcribe the meeting and send it to all. This is the time where as business owners and residents we need to be as proactive as possible before this turns into something deadly. I don't have the emails or contacts for some of the other businesses so if you do please spread the word.

Thanks

Thanks Holly. I appreciate being kept in the loop.

For the record, The car was stolen from the driveway, which is accessed from tuxedo Terrace.

Our neighbors on Tuxedo, also had his high-performance street bike stolen from his yard.

Thank you,

I've talked with Celebrity Centre. They are only licensed to protect their property and, although they've extended bike patrols in the past, can no longer do this. They will probably extend a short ways but looking into a joint Hillside/Business commitment for increased security is probably the best bet. I've talked with Greg Horos about putting together a joint Public Safety/Business Cttee HUNC meeting in mid-January. Adam Miller has the attendance from the last meeting and most people left with specific tasks to look into. Perhaps Adam can find out what has been accomplished and help set up the meeting.
